* Most services are paid directly to the service provider. Some service providers require full payment in advance. Those that accept payment in loco, usually require cash payments.

* All services are subject to availability -- the earlier you book, the more likely you will get the service you want on the date you want. Some services require the service to be booked well in advance and do not accept last minute bookings.

* If you have any special requests or special requirements that are not covered in this book, let us know -- we will do all we can to satisfy your needs!

* For all services, tipping is not required, but always much appreciated!
